

Field	Description
Bug Title	ContactPage_Invalid_Emails_Submitted_Successfully
Bug Severity	Low
Bug Priority	Medium
Description	Users can use invalid email addresses to submit the form. A list of invalid emails was used, and the following emails failed the test: <a href="mailto:Email.@example.com">Email.@example.com</a> <a href="mailto:Email..email@example.com">Email..email@example.com</a> あいうえお@example.com
Steps to Reproduce	<ol style="list-style-type: none"> <li>1. Navigate to the contact page.</li> <li>2. Choose Customer service as a subject header</li> <li>3. Enter an invalid email address in the email field</li> <li>4. Enter a valid message in the message field</li> <li>5. Press on the submit button</li> </ol>
Expected Behavior	Error message is prompted upon submission indicating an invalid email address
Actual Behavior	Submission is successful
Screenshots/Attachments	<p>The first screenshot shows a contact form titled 'CUSTOMER SERVICE - CONTACT US'. It has fields for 'Subject Heading' (set to 'Customer service'), 'Email address' (containing 'あいうえお@example.com' with a green checkmark), and 'Order reference'. There is an 'Attach File' section and a 'Send' button. The second screenshot shows the same form after submission, with a green banner message stating 'Your message has been successfully sent to our team.' and a '&lt; Home' link.</p>
Environment	Chrome Version 118.0.5993.88 Ubuntu LTS 22.04.2 NodeJS v18.16.0

Field	Description
Bug Title	ContactPage_Invalid_Submission_Lengthy_Message
Bug Severity	Medium
Bug Priority	Medium
Description	Users can submit messages with no practical limit on the length of the message.
Steps to Reproduce	<ol style="list-style-type: none"> <li>1. Navigate to the contact page</li> <li>2. Choose subject heading Customer service from dropdown menu</li> <li>3. Enter a valid email address in the email field</li> <li>4. Enter the invalid long message (5k Characters)</li> <li>5. Press on the submit button</li> </ol>
Expected Behavior	Error message is prompted upon submission indicating an invalid message
Actual Behavior	Submission is successful
Screenshots/Attachments	<p>The screenshot displays the 'CUSTOMER SERVICE - CONTACT US' interface. It features a 'SEND A MESSAGE' section with a 'Subject Heading' dropdown set to 'Customer service', an 'Email address' field containing 'valid@example.com' with a green checkmark, and an 'Order reference' field. Below these is an 'Attach File' section with a 'Choose File' button. A green 'Send &gt;' button is at the bottom of the form. Below the form, there are category tabs for 'WOMEN', 'DRESSES', and 'T-SHIRTS', a 'Contact' button, and another 'CUSTOMER SERVICE - CONTACT US' header. A prominent green banner at the bottom of the form area reads: '✓ Your message has been successfully sent to our team.' A '&lt; Home' button is located at the very bottom of the form area.</p>
Environment	Chrome Version 118.0.5993.88 Ubuntu LTS 22.04.2 NodeJS v18.16.0

Field	Description
Bug Title	ContactPage_Invalid_Submission_Lengthy_Reference_Order
Bug Severity	Medium
Bug Priority	Medium
Description	Users can submit Reference orders with no practical limit on the length of the text.
Steps to Reproduce	<ol style="list-style-type: none"> <li>1. Navigate to the contact page</li> <li>2. Choose subject heading Customer service from dropdown menu</li> <li>3. Enter a valid email address in the email field</li> <li>4. Enter a valid message in the message field</li> <li>5. Enter the invalid reference order in the reference order field</li> <li>6. Press on the submit button</li> </ol>
Expected Behavior	Error message is prompted upon submission indicating an invalid Reference order
Actual Behavior	Submission is successful
Screenshots/Attachments	 <p>The screenshot displays the 'CUSTOMER SERVICE - CONTACT US' page. It features a 'SEND A MESSAGE' form with fields for 'Subject Heading' (set to 'Customer service'), 'Email address' (set to 'valid@example.com'), and 'Order reference'. A 'Message' text area contains the word 'test'. Below the form is a green 'Send &gt;' button. A green success message banner at the bottom states: 'Your message has been successfully sent to our team.' Navigation links for 'WOMEN', 'DRESSES', 'T-SHIRTS', and a 'Contact' button are also visible.</p>
Environment	Chrome Version 118.0.5993.88 Ubuntu LTS 22.04.2 NodeJS v18.16.0

Field	Description
Bug Title	ContactPage_Invalid_Error_Message_Upon_Invalid_Submission
Bug Severity	low
Bug Priority	low
Description	When a user fails to fill in the mandatory fields (email, subject header, and message) and then submits, an error message prompts to tell the user which fields were invalid/missing. This message always displays one error even if more than 1 field was invalid.
Steps to Reproduce	<ol style="list-style-type: none"> <li>1. Navigate to the contact page</li> <li>2. Choose subject heading Customer service from dropdown menu</li> <li>3. Press on the submit button</li> <li>4. Observe error message relating to missing message and email fields</li> </ol>
Expected Behavior	Error message is prompted upon submission indicating an invalid/missing email and an invalid/missing message.
Actual Behavior	Only an error message relating to the email is displayed
Screenshots/Attachments	
Environment	Chrome Version 118.0.5993.88 Ubuntu LTS 22.04.2 NodeJS v18.16.0
Additional Information	This is also persistent with different combinations of missing mandatory fields. For instance, if subject header and message were left blank, only an error message relating to the message will be displayed.

Field	Description
Bug Title	SearchPage_Irrelevant_Search_Results
Bug Severity	low
Bug Priority	medium
Description	When a user searches for the term “dress”, Irrelevant products are shown alongside the dress products.
Steps to Reproduce	<ol style="list-style-type: none"> <li>1. Navigate to the search page</li> <li>2. Enter dress in the search input field</li> <li>3. Submit to search</li> <li>4. Check the result products to be relevant to the search</li> </ol>
Expected Behavior	Dress products only show up
Actual Behavior	Dress products show up along with other items such as blouse and short sleeves t-shirts products
Screenshots/Attachments	<p>The screenshot displays a search results page for the term "DRESS". At the top, it indicates "7 results have been found." and shows a "Sort by" dropdown menu. Below the search bar, it says "Showing 1 - 7 of 7 items." and a "Compare (0)" button. The results are displayed in a grid of product cards. Each card includes a product image, a title, a price, and a status. The products shown are:     <ul style="list-style-type: none"> <li>Printed Dress: \$50.99, Out of stock.</li> <li>Printed Summer Dress: \$28.98 (original \$30.64, -5% off), Product available with different options.</li> <li>Printed Dress: \$26.00, Out of stock.</li> <li>Printed Summer Dress: \$30.50, Product available with different options.</li> <li>Printed Chiffon Dress: \$16.40 (original \$20.50, -20% off), Out of stock.</li> <li>Faded Short Sleeves T-shirt: \$16.51, Out of stock.</li> <li>Blouse: (price not visible).</li> </ul> </p>
Environment	Chrome Version 118.0.5993.88 Ubuntu LTS 22.04.2 NodeJS v18.16.0
Additional Information	This is not the case with all search terms, other searches like “Blouse” show the relevant products only.
